On 4 Nov 1898 Percy was a Civil Service Temporary Boy Copyist (New Class) in Dublin, Ireland.<sup>4</sup> He appeared in the census on 31 Mar 1901 at 30 Dargle Road in Glasnevin, Dublin, Ireland.<sup>5</sup> Age 17 Church of Ireland born County Cork occupation Civil Servant National Education Office (Boy Copyist) Read and write Not Married

On 13 Mar 1903 he was a Civil Service Open Competitive Examination for situations as Assistant Clerks (Abstractors) in Dublin, Ireland.<sup>6</sup> He was the **top Irish candidate** being placed nineteenth in the Order of Merit. On 18 Oct 1904 Percy was a Civil Service Open Competitive Examinations for Clerkships in the Second Division of the Civil Service in Dublin, Ireland.<sup>7</sup> Percy competed successfully for this more senior graded clerkship but failed the medical examination. Consequently his certificate was not issued On 20 Feb 1905 he was a "Case of Mr. Percy Ludgate – Irish Civil Service" was raised during Questions in the House in London, England.<sup>8</sup> Mr. T. HARRINGTON (Dublin Harbour)

I beg to ask the Secretary to the Treasury whether he is aware that Mr. Percy E. Ludgate, of Drumcondra, passed the Civil Service examination for assistant clerkship, abstractor class, in October, 1903, and was medically examined by the physician selected by the Civil Service Commissioners and declared fit for the service; that, without having received an appointment as assistant clerk, he competed successfully for a second division clerkship, but failed to satisfy the examining physician as to his fitness; that, in consequence of the latter medical examination, Mr. Ludgate's certificate of qualification given in the former case has been cancelled, thus penalising him for one appointment by reason of his success in securing another; and, if so, whether he will take steps to have him medically examined with the view to his securing one or other of the above appointments, and will he say whether there is any difference in the medical standard of qualification required for assistant clerkship or second-division clerkship.

THE FINANCIAL SECRETARY OF THE TREASURY (Mr. VICTOR CAVENDISH,) Derbyshire, W.

The facts are substantially as stated in the hon. Member's Question, except that Mr. Ludgate's certificate as assistant clerk was never granted, and therefore was not cancelled; and that the date of the examination referred to was February, 1903, and not October, 1903. As nearly a year had elapsed since Mr. Ludgate's medical examination for an assistant clerkship, it was necessary to re-examine him before issuing him a certificate for a second-division clerkship. The result of the medical examination proving unsatisfactory the Civil Service Commissioners were unable to grant certificate for either position. The medical requirements are practically the same in both cases. On 28 Apr 1909 he was a "On a Proposed Analytical Machine at Royal Dublin Society in Dublin, Ireland."<sup>9</sup> I propose to give in this paper a short account of the results of about six years' work, undertaken by me with the object of designing machinery capable of performing calculations, however intricate or laborious, without the immediate guidance of the human intellect.
